A. W. Bell, Jr.
Superintendent of Schools

Our superintendent is a hardworking administrator who keeps the entire school system operating efficiently. Without his untiring efforts we would fail to see the growth and progress that has been accomplished recently in our schools.

Administration/Faculty

Neal Hinson, Principal

Mr. Hinson's duties are many and varied. He keeps the educational process running smoothly, yet he is always available for counseling and helping solve problems. He is sincerely appreciated by all — teachers and students alike.

HOLLY CHAMBERS
VOCATIONAL DIRECTOR

Mr. Chambers is director of the high school's vocational programs. He is always on the go and he seems to be in every place at once. He also supervises the school district's maintenance program.
